Coesfeld e.V.

# Installation guideline Wire

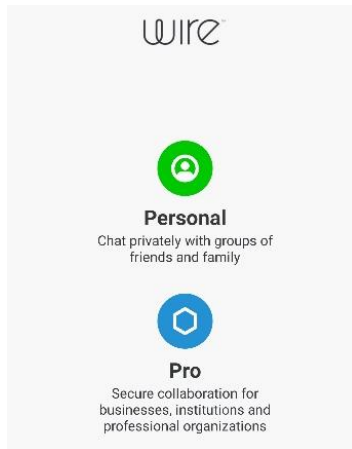

# Installation guideline Wire

1. Go to your app store bzw. Google Play.
2. Search „Wire“ in the search box.
3. Install the app.

# Installation guideline Wire

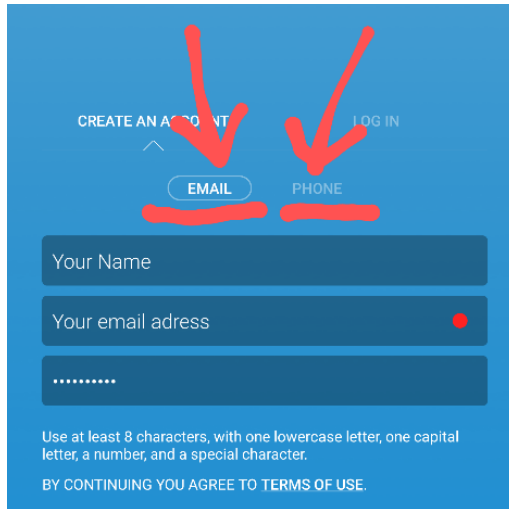

4. After installing click „open“.
5. Then Click „create an account“.
6. Please select „Personal“ – that private account is free of cost.

# Installation guideline Wire

## 7. Create an account:

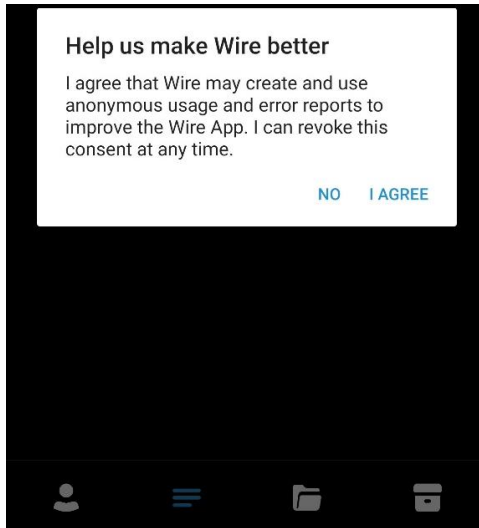

Select: Name, E-Mail and password **OR** phone → follow the instructions.

The screenshot shows a blue background with the text "CREATE AN ACCOUNT" and "LOG IN" at the top. Below "CREATE AN ACCOUNT" are two buttons: "EMAIL" and "PHONE". Red arrows point to both buttons, and red underlines are drawn under each. Below the buttons are three input fields: "Your Name", "Your email address" (with a red dot on the right), and a password field with seven dots. Below the password field is a note: "Use at least 8 characters, with one lowercase letter, one capital letter, a number, and a special character." At the bottom, it says "BY CONTINUING YOU AGREE TO TERMS OF USE."
